

# RAW MATERIALS

## SPECIALIZED AEROSPACE MATERIALS

## YOUR RELIABLE SOURCE FOR THOSE HARD-TO-FIND MATERIALS

### SUPPLYING CRITICAL AEROSPACE METALS, FASTENERS AND SPECIALIZED PARTS

BW Industrial Sales, through our global network of certified partners, delivers a full spectrum of aerospace materials and hardware—sourcing, certifying, and supplying exactly what your projects demand. From raw metals to specialized components, we provide on-time, traceable, and fully compliant materials for aerospace and defense.

#### WHY BW INDUSTRIAL SALES?

- **Full Certification & Traceability:** Every order is backed by AS9120 & ISO9001-compliant processes with full lot traceability and documentation.
- **Quality-Controlled Products:** All materials and hardware are rigorously inspected and tested to meet or exceed aerospace and defense specifications.
- **Custom Solutions:** We handle complex requests and hard-to-find items with precision and efficiency—tailored to your exact requirements.
- **Unmatched Reliability:** Fast response times, tight tolerances, and proactive communication ensure your projects stay on schedule.

**FULL TRACEABILITY AND CERTIFICATIONS WITH EVERY ORDER, DOMESTIC AND  
DFAR MATERIALS AVAILABLE**

**ALL PROCESSING COMPLETED BY NADCAP/BOEING APPROVED SOURCES**

# **VALUE ADDED SERVICES**

- |   |  |   |
|---|--|---|
|  Precision Sawing     |  Laser            |  Waterjet    |
|  Centerless Grinding  |  Machining        |  Silk screen |
|  Double Disc Grinding |  Stamping         |   |
|  Heat Treating        |  Material Testing |   |

## **MADE IN THE USA**

# **AEROSPACE AND DEFENSE FASTENERS & HARDWARE**

WITH FREE MANUFACTURER CERTIFICATIONS

### **STAINLESS STEEL**

**ALLOYS:** 15-5PH, 17-4PH, 13-8PH, 301, 303, 304, 316, 321, 410, 416, A286

**SIZE:** FLAT, PLATE, HEX, ROUND, SQUARE

**CONDITION:** 15-5PH, 17-4PH, 13-8PH, 301, 303, 304, 316, 321, 410, 416, A286

### **ALUMINUM**

**ALLOYS:** 6061, 7075, 2024, 7050

**SIZE:** FLAT, PLATE, ROUND, SQUARE

**SPECIFICATION:** QQ-A-225/6, QQ-A-200/3, AMS4117, QQA-225/8, QQ-A-200/8, QQA-225/9, QQ-A-200/11

### **TITANIUM - 6AL-4V**

**SIZE:** ROUND BAR, RECTANGULAR FLAT BAR, PLATE AND SHEET

**SPECIFICATION:** AMS 4911, AMS 4928, AMS 4965, AMS 4967, AMS 6930 AMS 6931, AMS-T-9046 (AB-16AL4V) AMS-T-9047 (6AL-4V)

### **SPECIALTY METALS**

INCONEL 718, 625, 9310, 1018, 1215, 12L14, 4130, 4140, 4330, 4340, WASPALOY ALLOY X750

**AND SO MUCH MORE!**

- |            |                |                      |                       |
|------------|----------------|----------------------|-----------------------|
| • TUBING   | • BRASS        | • WIRE & LOCK WIRE   | • PLASTIC EXTRUSIONS  |
| • RUBBER   | • BRONZE       | • INSULATION TUBING  | • RUBBER EXTRUSIONS   |
| • PLASTICS | • SUPER ALLOYS | • HEAT SHRINK TUBING | • HEAT TREATED METALS |
| • EXOTICS  | • ALUM-BRONZE  | • BAC EXTRUSIONS     |                       |
